

Which questions show a Higgsfield ad in an AI chat?

Prism Publication sample match report. Tested October 6, 2026. By Daniel Rosenthal.

0 of 10 visitor questions cleared the 0.65 match floor and showed the Higgsfield ad as an Affiliate ad card. The rest might not surface a card. These are Prism's own scores and say nothing about any other platform.

#	Visitor question	Shown	Score	Floor
1	How do I make an AI video from a text prompt?	No	0.649	0.65
2	Can I turn a photo into a video with AI?	No	0.559	0.65
3	What is the best AI video generator?	No	0.580	0.65
4	How can I create short cinematic clips without a camera?	No	0.169	0.65
5	Is there an AI tool that animates still images?	No	0.199	0.65
6	How do I make a product video with AI?	No	0.503	0.65
7	What AI tools can make videos for social media?	No	0.399	0.65
8	Can AI generate a video from a character image?	No	0.503	0.65
9	How do I improve my sleep?	No	0.064	0.65
10	What is the best CRM for a small sales team?	No	0.049	0.65

The ad tested (as stored in Prism's library, not rewritten by Prism)
